**3D OBSTETRIC
ULTRASOUND**

What you get!

Our 3D appointments go for up to 30 minutes, the cost is \$150.

This includes;

- A minimum of 10 images
- Heart rate recording
- Video.

Gender reveal is also available at no extra cost.

Look at that little yawn!

WHEN Our ideal gestation for 3D scans is 28-32 weeks.

WHO Family and friends are more than welcome to join in on the fun!

MEDICARE This is a non-diagnostic scan, there is no rebate from Medicare.

For our full 3D Obstetric Policy and booking you can contact Emily via emily@tasmaniamaging.com.au

The perfect gift!

We have gift vouchers available for purchase from our reception team.
